## Historical Tales, Vol 4

by Charles Morris (1833-1922)

Volume IV of a series containing anecdotes and stories, some well-known, others less so, of particular countries. This second volume supplements the first with additional stories of the discovery, colonization, founding, and early years of the United States of America, describing history for children and young adults in an exciting and novel manner.

This project has 32 files and a total running time of 8:11:15.
